

Café Discussions

Healthier worksite foodscapes for the future

1st café discussion: 13.15 – 13.55

2nd café discussion: 13.55 – 14.35

Brief presentation of work in groups: 14.35 – 14.45

Aim of Café Discussions

Exchange of experiences in relation to "Better Food at Work"

Development of innovative workplace based interventions and **solutions:**

- Increasing **cooperation** and sharing of **knowledge** between the Nordic & Baltic countries through **networking**
- Common **research** areas and **future applications**
- **Policy instruments** for increasing the population's health status in the Nordic & Baltic countries (through worksites)

Café discussions themes

A. Cooperation & Networking opportunities

B. Future Research issues & Challenges

C. Local (company) and regional policy

Discuss within your theme

Discuss the café discussion theme with respect to “Better Food at Work”

- Ex. are there possible synergies between the Nordic and Baltic countries?
- Ex. are there specific worksites or kinds of work that need specific attention?

Discuss & identify *your* solutions/ideas within the café discussion theme

- Briefly explain the two most important solutions/ideas that your group would like to continue working on
- Briefly state what, and who, could be involved in bringing your solutions/ideas to life

Very short summary in plenum! (ex. by moderators)
